

## **UPCOMING OAKLAND ART MURMUR<sup>SM</sup> EVENTS**

**FIRST FRIDAY ART WALK** – Monthly – Each “First Friday” of every month rain or shine, OAM presents a free evening art walk, also known as the ‘Art Murmur,’ when visual arts venues across town are collectively open to the public, free of charge. “Oakland First Fridays,” produced by KONO (Koreatown/Northgate Business Improvement District) is a separate street fair event held on Telegraph Avenue, in Uptown. OAM-affiliated galleries are open 6-9 pm; step away from the bustle of the crowd and head “inside” for the ‘Murmur.’

**SATURDAY STROLL** – Weekly – Most OAM visual arts affiliated venues also participate in the weekly Saturday Stroll, with spaces open every Saturday from 1–5 pm. This is a self-guided activity, with many galleries hosting free cultural programs such as receptions, artist talks, lectures, musical performances, and literary readings on Saturdays throughout the city.
